### 14. Representations and Warranties.

14.1. Mutual Representations and Warranties. Each party represents and warrants to the other party that:

14.1.1. it is duly organized, validly existing and in good standing as a corporation or other entity under the laws of the jurisdiction of its incorporation or other organization;

Fresh Relevance shall defend Reseller against any claim, demand, suit, or proceeding (“**IPR Claim**”) made or brought against Reseller by a third party alleging that the use of the Fresh Relevance Solution as permitted under the terms of this Agreement infringes or misappropriates the intellectual property rights of a third party, and shall indemnify Reseller for any damages finally awarded against Reseller and for reasonable attorney’s fees incurred by Reseller in connection with any such IPR Claim; provided, that Reseller (a) promptly gives Fresh Relevance written notice of the IPR Claim; (b) gives Fresh Relevance sole control of the defense and settlement of the Claim (provided that Fresh Relevance may not settle any IPR Claim unless the settlement releases Reseller of all liability); and (c) provides to Fresh Relevance all reasonable assistance, at Fresh Relevance’s expense.

15.2. Fresh Relevance will have no liability, responsibility or obligations under the indemnity at Clause 15.1 to the extent the IPR Claim is based on or arises from the Reseller’s (a) use of the Fresh Relevance Solution by Reseller, Customers or End Users in breach of the terms of this Agreement or the EULA, (b) use of the Fresh Relevance Solution by Reseller, Customers or End Users outside of the scope of the licences granted under this Agreement, (c) any modification of the Fresh Relevance Solution not authorised by Fresh Relevance in writing, and/or (d) use of Fresh Relevance Solution in combination with Reseller Products, or Third Party Materials or any other third party products or services.

15.3. Mitigation. If the Fresh Relevance Solution is, or in Fresh Relevance’s opinion is likely to be, claimed to infringe, misappropriate or otherwise violate any third-party Intellectual Property Right, or if Reseller’s ability to resell access to the Fresh Relevance Solution is enjoined or threatened to be enjoined, Fresh Relevance may, at its option and sole cost and expense (i) obtain the right for Reseller to continue to market and sell access to the Fresh Relevance Solution materially as contemplated by this Agreement, (ii) seek to make the Fresh Relevance Solution (as so modified or replaced) non-infringing while providing materially equivalent features and functionality, in which case such modifications or replacements will constitute the Fresh Relevance Solution under this Agreement, and/or (iii) by written notice to Reseller, terminate this Agreement, and require Reseller to immediately cease all distribution and sale of access to the Fresh Relevance Solution.

- 16.2. Subject to Clause 16.1, in no event shall either party be liable in contract, tort (including negligence for breach of statutory duty) or otherwise howsoever for any (a) loss of profit; or (b) loss of business; or (c) loss of goodwill or depletion of goodwill; or (d) loss of contracts; or (e) loss of revenues; or (f) loss or corruption of data or information; or (g) loss of anticipated savings; or (h) pure economic loss (irrespective of whether the losses at (a) through (h) are direct or indirect, and/or for any special, indirect or consequential loss or damage of any nature whatsoever, whatever the cause thereof arising out of or in connection with the Agreement even if the other has been advised of the possibility of such damages.
- 16.3. Subject to Clause 16.1, in no event shall either party's aggregate, cumulative liability arising out of or related to this Agreement, whether in contract, tort, or under any other theory of liability exceed the total amount paid by Reseller to Fresh Relevance in the twelve (12) months preceding the event giving rise to the claim.
- 16.4. The parties acknowledge that the prices have been set, and the Agreement is entered into in reliance upon the limitations of liability, remedies, damages, and the disclaimers of warranties and damages set forth herein, and that all such limitations and exclusions form an essential basis of the bargain between the parties.

## 17. Force majeure.

- 17.1. No Breach or Default. In no event will either party be liable or responsible to the other party, or be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, (except for any obligations to make payments), when and to the extent such failure or delay is caused by any circumstances beyond such party's reasonable control (a "**Force Majeure Event**"), including strikes, riots, fires, acts of God, war, terrorism, and governmental action and/or any other cause beyond the reasonable control of the party whose performance is affected (including mechanical, electronic, hosting, internet service provider or communications failure by the Party or its suppliers). In the event of any failure or delay caused by a Force Majeure Event, the affected party shall give prompt written notice to the other party stating the period of time the occurrence is expected to continue and use diligent efforts to end the failure or delay and minimize the effects of such Force Majeure Event. Provided it has complied with the foregoing obligations, either party may terminate this Agreement if a Force Majeure Event affecting the other party continues substantially uninterrupted for a period of thirty (30) days or more.

## 19. General

- 19.1. **Assignment and Subcontracting.** Reseller shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement, in each case whether voluntarily, involuntarily, by operation of law or otherwise, without Fresh Relevance's prior written consent, which consent Fresh

Relevance shall give or withhold in its sole discretion. For purposes of the preceding sentence, and without limiting its generality, any merger, consolidation or reorganization involving Reseller (regardless of whether Reseller is a surviving or disappearing entity) will be deemed to be a transfer of rights, obligations or performance under this Agreement for which Fresh Relevance's prior written consent is required. No delegation or other transfer will relieve Reseller of any of its obligations or performance under this Agreement. Any purported assignment, delegation or transfer in violation of this Clause 19.1 is void. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective permitted successors and assigns. Fresh Relevance may engage subcontractors or other third parties to perform certain duties under the Agreement, in accordance with the terms of this Agreement, provided that Fresh Relevance remains responsible for all of its obligations under the Agreement.

- 19.2. **Equitable Relief.** Each party acknowledges and agrees that a breach or threatened breach by such party of any of its obligations under Clause 9 or Clause 13 or in the case of Reseller, Reseller's obligations under Clause 2.3, Clause 3.3, Clause 4 or Clause 6.1 would cause the other party irreparable harm for which monetary damages would not be an adequate and agrees that, in the event of such breach or threatened breach, the other party will be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.
- 19.3. **Entire Agreement.** This Agreement together with any documents expressly referred to in this Agreement contain the entire agreement between Fresh Relevance and the Reseller and supersede and replace any prior written or oral agreements, representations or understandings between the Parties relating to the subject matter of this Agreement. In the event of a conflict between the terms and conditions of the Agreement and any Order Form, the Order Form shall prevail except to the extent the conflict pertains to product or service description (e.g., type, quantity, usage volume) or pricing information, in which case the terms of the Order Form, as applicable, shall prevail. No usage of trade or other regular practice or method of dealing between the parties will be used to modify, interpret, supplement, or alter the terms of the Agreement.
- 19.4. **Further Assurances.** Upon a party's reasonable request, the other party shall, at the requesting party's sole cost and expense, execute and deliver all such documents and instruments, and take all such further actions, necessary to give full effect to this Agreement.
- 19.5. **Governing Law and Jurisdiction.** Regardless of where executed the validity, construction, interpretation and effect of this Agreement (and any dispute, controversy, proceedings or claim of whatever nature arising out of or in any way relating to this Agreement or its formation) shall be governed by and construed in accordance with English law without regard to any conflict of law provisions. The courts of England shall have exclusive jurisdiction to deal with any dispute (including non-contractual disputes) which has arisen or may arise out of, or in connection with this Agreement, except that either Party may bring proceedings for an injunction in any jurisdiction.
- 19.6. **Public Announcements.** Neither party shall issue or release any announcement, statement, press release or other publicity or marketing materials relating to this Agreement or, in the case of Reseller, except as expressly permitted under Clause 3.3, otherwise use the other party's trademarks, service marks, trade names, logos, domain names or other indicia of source, affiliation or sponsorship, in each case, without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed, provided, however, the Fresh Relevance may, without requiring Reseller's consent, include Reseller's name and/or other indicia in its lists of Fresh Relevance's current or former authorized resellers in promotional and marketing materials.
- 19.7. **Relationship of the Parties.** The relationship between the parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.
- 19.8. **Severability.** Should any term and condition of the Agreement be declared illegal or otherwise unenforceable, it shall be severed from the remainder of this Agreement, or the relevant portion of the Agreement, without affecting the legality or enforceability of the remaining portions of the Agreement.

**Reseller Agreement (UK), last updated 07/02/2023**

19.9. **Third Parties.** No term of the Agreement shall be enforceable under the Contracts (Rights of Third Parties) Act 1999 by a person who is not a party to the Agreement.

19.10. **Variation.** Unless explicitly permitted under the terms of this Agreement, no amendment to or variation of this Agreement is effective unless it is in writing and signed by each party.

19.11. **Waiver.** The waiver by either party of any breach of any provision of the Agreement does not waive any other breach. **The** failure of any party to insist on strict performance of any covenant or obligation in accordance with the Agreement will not be a waiver of such party's right to demand strict compliance in the future, nor will the same be construed as a novation of the Agreement.

19.12. **Counterparts.** This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.
